The exquisite home of outgoing president Ginny Salamy served as the gathering place to introduce new board members and present a check to Treasure Coast Hospice CEO Jackie Kendrick. The yearlong fundraising effort by members of the Harbour Ridge community in Palm City yielded \$125,000. Attendees also shared fond memories of long-time member Jody Brasskamp who died recently. Founded in 1982, Treasure Coast Hospice is a nonprofit organization of skilled professionals and dedicated volunteers who serve patients and families in Martin, St. Lucie and Okeechobee counties.
