Transforming an annual event into a COVID-safe extravaganza required some ingenuity. Volunteers and staff members of Treasure Coast Hospice handed out containers filled with tasty menu samplings of chef Robert Goodhue’s representative of Italy, Spain, France, and Germany, plus four specially chosen wines, supplied by Kling Gallery, Wine & Décor of Stuart. From the comfort of home, participants enjoyed a virtual pairing event featuring sommelier Bill Kling. The \$125,000 raised supports grief support, youth and family programs.
