Pediatric Care

Treasure Coast Hospice's Little Treasures program focuses on enhancing the quality of life for children and their families. Our pediatric team addresses physical, emotional and spiritual concerns by providing guidance, education, music therapy and psychosocial support.

Grief Support

Our Grief Support program provides grief counseling to Treasure Coast Hospice patients, their families, and anyone in our community who has experienced the loss of a loved one. We also offer the youth grief program Camp Good Grief, crisis response services, trainings, workshops, and Family Nights.

Community Presentations

Treasure Coast Hospice offers community presentations on various topics including how to have the "difficult" conversation, stress management, grief and loss, advance care planning and much more.

Pet Programs

HosPet volunteers join with their dogs to visit patients at assisted living residences, nursing homes and our hospice houses. The **Treasured Pets** program is available to anyone under hospice care who owns a pet. Trained volunteers provide care to patients' pets.

Veterans Programs

Treasure Coast Hospice is a certified Level 3 Partner with Veterans Affairs and can help veteran patients navigate the VA system. We offer programs that honor veterans like Veterans to Veterans and recognition ceremonies.
